

State Representative Byron Cook is a Pro-Life Champion

State Representative Byron Cook is staunchly pro-life, and he deserves re-election to the Texas House. We urge you to vote for him so that he can continue to defend the rights of innocent unborn babies from the tragedy of abortion. As the Chairman of the critical House State Affairs Committee, Byron Cook led efforts to pass perhaps the strongest sonogram law in the nation, the ban abortions after five months, closing more than two dozen abortion facilities, and pass a record number of strong pro-life bills in 2015 that Governor Abbott signed into law. That is why Texas Alliance for Life gave Byron Cook our "Courageous Defense of Life" award.
