Response to the Death of Kansas Abortion Doctor George Tiller from Joe Pojman, Ph.D., TAL's executive director:

"Texas Alliance for Life unequivocally condemns the murder of Kansas abortion doctor George Tiller. This is a detestable crime apparently committed by an individual. It is certainly not an act that any legitimate pro-life organization could in any way condone. Texas Alliance for Life seeks to promote compassionate alternatives to abortion through peaceful, legal means."

To arrange an interview with Pojman, please contact Director of Communications Valerie Striker.
