

Contact Texas' US senators to oppose Kagan for Supreme Court

This newsletter helps you make one contact a month to policy-makers to protect innocent human lives.

Oppose Elena Kagan for U.S. Supreme Court

On May 10, pro-abortion President Barack Obama nominated Elena Kagan to the U.S. Supreme Court. Kagan would fill a vacancy created by retiring Justice

John Paul Stevens. Stevens is one of the justices to vote to uphold for the tragic *Roe v. Wade* decision.

We are asking pro-life citizens to contact and urge Texas' two U.S. Senators — Kay Bailey Hutchison and John Cornyn — to oppose Kagan's nomination.

The senators will likely have an opportunity to vote later this summer, but they may be making up their minds right now. Please see their contact information at right.

We believe that, if appointed, Kagan will be an activist judge who will vote to uphold *Roe v. Wade* and to strike down reasonable limits on abortion if given the opportunity.

Kagan's nomination is opposed by highly respected national pro-life organizations, including the National Right to Life Committee and Americans United for Life.

The Honorable _____
U.S. Senate

Dear Senator _____,

I urge you to oppose the nomination of Elena Kagan to the United States Supreme Court.

*I believe that Kagan is unsuitable to be a justice on the Court. She has not demonstrated that she opposes activist court opinions like *Roe v. Wade* which has no basis in the U.S. Constitution and therefore should be overturned.*

Sincerely,
(your name & address)
